Virginia Foundation for the Humanities Annual Report 2008-09

The Virginia Foundation for the Humanities gratefully acknowledges the generous support of the following benefactors, whose gifts helped support statewide programs and services in the past year. In particular, we deeply appreciate the generosity of our board and staff, one hundred percent of whom contributed their financial gifts to the VFH, in addition to their many gifts of time, energy, and talent.

These gifts allow us to continue our mission to understand the past, confront issues in the present, and shape a promising future. Together we are shaping our common story—work worth doing!

This list reflects donations made to the VFH from July 1, 2008, to June 30, 2009. In a list of this size there are inevitably some omissions or inaccuracies, and we apologize for ours. Please know that your gift is appreciated.
